

## GUIDE LINES FOR SUBMITTING PHOTOGRAPHS FOR THE WEB SITE

Because of the new Art Guild web page layout and a desire for consistency I ask that anyone wishing to have their work displayed submit the following:

1. Submit a biography about yourself consisting of approximately 100 to 150 words.
2. Submit your photographs in as large a size as you have (I will resize them for the web). They should be in **.jpg** format (If you don't know what .jpg is, send them anyway and I will let you know if there is a problem).
3. Submit the **TITLE** of each image, the **MEDIA**, **SIZE** and **PRICE**. If you have sold the item or it is not for sale we will show it as "SOLD".

Example:

OLD MAN AND THE SEA - Oil on Canvas 24X36 - \$350

I will photograph your artwork for free if you are currently volunteering your time to the SaddleBrooke Fine Arts Guild as an elected official or a volunteer on a standing committee.

We ask for a one time subscription fee of \$15 to help support the Featured Artist page. You can send a check to the Guild treasurer or use the Credit Card / PayPal button below on the Featured Artist web page.
